

World Tai Chi & Qigong Day

One World ... One Breath

Hundreds of Cities - Over 70 Nations

www.WorldTaiChiDay.org

On the last Saturday of April at 10 am local time worldwide, the world is invited to join in on mass Tai Chi and Qigong teach-ins and exhibitions held in over 70 nations. This educational event brings people together across ethnic, racial, religious, and geopolitical borders in a celebration of personal and global health and healing. Its motto is "One World ... One Breath."

Harvard Health Publication has called Tai Chi "moving medication" for all the myriad health issues it has been proven to help with.

Kansas City

Dallas

New York

Los Angeles

Jerusalem, ISRAEL

Tehran, Iran

Brasilia, Brasil

Chicago

Toronto, Canada

Tai Chi and/or Qigong can boost immune function by 50%; increase brain size; reduce depression and anxiety; reduce or eliminate chronic pain issues; dramatically improve balance, dexterity, and sports performance, prevent colds and flu; lower high blood pressure; reduce ADHD symptoms; improve sleep; etc.
